Call (435) 674-1400 if you have any questions.

Banquet Cancellation Policy

The annual Christmas Installation Banquet is a special luncheon and requires reserved seating. We do not request reservations at other lunches during the year, but the Christmas Installation Banquet is so popular that it continues to sell-out each year before the event is held.

With this policy, we are still offering members one lunch at no cost. **However, if you reserve a free lunch seat and do not cancel by Tuesday, November 24, 2009, and do not attend the luncheon, you will be billed \$17.00 for your lunch.**

We are requiring **pre-payment** for guests, either by check or credit card. When you sign the reservation form below, you are agreeing to the policy. Please call Kathy or Barbara at the SUHBA office at (435) 674-1400 if you have any questions about this policy.

I understand the cancellation policy.
