**Exploring New Opportunities and Programs for Financing Energy Efficiency and
Renewable Energy in Utah**

***Zions Bank Founders Room, 1 South Main Street #1800, Salt Lake City, Utah 84111
June 3, 2010 1:00 pm – 4:45 pm***

Brought to you by:

Utah Clean Energy, Utah Governor's Energy Advisor's Office, Utah State Energy Program,
Utah Building Energy Efficiency Strategies, Salt Lake County, PECEI, Solar Salt Lake Project, and
the Community Development Corporation of Utah

Join representatives from Utah's banking and finance community, state and local governments, utilities, and clean energy experts to learn about existing and emerging opportunities and financing programs for renewable energy and energy efficiency in Utah's residential sector; provide input and feedback on upcoming programs from the State Energy Program and Salt Lake County; and help us as identify the important role Utah's banking community will play in implementing new financing opportunities for clean energy.

PLEASE RSVP by May 28th by sending an email to info@utahcleanenergy.org.
(For questions regarding the workshop, please contact Sara Baldwin at (801) 363-4046)

Who Should Attend? Financial and lending institutions, banking community, remodeling and contractor associations with an interest in energy efficiency and renewable energy financing tools, utilities, state and local governments, elected officials, and government housing programs.
